

To help reduced the spread of the **COVID-19** we are asking that you **DO NOT** come to the doctor's office unless instructed to. If you are sick, please call one of our offices and you will be given further instructions. Your health and well being is our main concern. The physicians and staff of Trace Regional Hospital are following the guidelines of the CDC and MSDH to ensure the safety and well being of our patients and employees.

- ❖ Currently we are out of kits to test for the COVID-19.
- ❖ If you become ill and think you have been exposed to the Coronavirus; please call the clinics to be given further instructions.
- ❖ **Dr. Gore is currently out of the office. He is taking precautionary measures for his health. We apologize for any inconvenience. You may dial (662) 456-1015 for any questions or concerns.**
